

## **Admissions Clinical Liaison**

We have an immediate opening for an individual to serve as an **Admissions Clinical Liaison** for our Business Development Department. This full time position focuses on the admission process of potential patients into the hospice program and working with our referral sources to meet their patient care needs. The Clinical Liaison is responsible for developing, maintaining and enhancing current referral relationships and building new partnerships in our service area. The qualified candidate must be a Licensed Registered Nurse. Additional responsibilities include performing on-call assistance as required. A minimum of 2 years of healthcare experience with hospice is preferred. Please contact the Human Resources Department for more detail about the position.
